

## Get Involved in the 10th Annual Adult Learners' Festival!

The 10<sup>th</sup> Annual Adult Learners' Festival takes place from the 22<sup>nd</sup>-27<sup>th</sup> of February 2016 and AONTAS, The National Adult Learning Organisation, wants you to get involved!

Over the past decade, the Adult Learners' Festival has become a firm fixture in the adult learning calendar, with hundreds of free learning events taking place throughout the island of Ireland. Community groups, organisations and local businesses are invited to host an adult learning event during this six day festival, which encourage adults to explore new interests and learning options. The 10<sup>th</sup> Adult Learners' Festival will be a unique opportunity to promote the work of your group or organisation to new and existing adult learners within your community.
