benefits

Museum Ireland is the main journal dedicated to the Irish museum sector. Now online, our reach is even wider!

Our readers are practitioners working in museums, galleries, historic houses, libraries, archives and heritage centres throughout the country. *Museum Ireland* is accessed free of charge by our membership and main public libraries, reaching every professional museum in Ireland.

This makes it the ideal platform for publicising services and products for the cultural heritage sector, as well as exhibitions, projects, educational opportunities and publications to key individuals in the arts and cultural sectors in Ireland.

If your business provides a service to the museum, gallery and heritage sector in Ireland, advertising in *Museum Ireland* is the best way to reach your audience.
